Professional Summary

Dedicated Computer Science Engineering student with strong knowledge of programming, software development, web technologies, and database systems. Hands-on experience in developing AI-based and full-stack projects using Python, Django, HTML, CSS, JavaScript, and SQL. Strong analytical thinking, teamwork, communication skills, and eagerness to learn modern technologies.

Education

SR University, Telangana	Oct 2023 – Jun 2027
Bachelor of Technology in Computer Science Engineering	CGPA: 8.2/10
SR EDU Center	2022 – 2023
Higher Secondary Certificate (MPC Stream)	Score: 835

Technical Skills

Programming Languages: C, Python, SQL
Web Technologies: HTML5, CSS3
Frameworks / Tools: Django, GitHub, VS Code, MySQL
Core Concepts: Data Structures, OOP, DBMS, Problem Solving

Projects

- AI Resume Builder** 2024
Python, Django, HTML, CSS, OpenAI API
 - Developed an AI-powered resume builder to generate professional and ATS-friendly resumes based on user input requirements.
 - Implemented Django backend for authentication, form handling, template management, and dynamic resume generation.
 - Integrated OpenAI API to create optimized summaries, technical skills, and project descriptions automatically.
 - Designed responsive user interface for smooth performance across desktop, tablet, and mobile devices.
- Money Saving & Budget Management Web Application** 2024
HTML, CSS, JavaScript, MySQL
 - Built personal finance web application to track expenses, manage budgets, and monitor monthly savings goals.
 - Developed interactive dashboard with spending reports, charts, and real-time budget insights for users.
 - Used MySQL database for secure transaction storage, data retrieval, and record management.
 - Improved usability through clean interface design and structured navigation for better user experience.

Achievements & Certifications

- Received Certificate of Appreciation for Academic Excellence from SR University (2024–2025).
- Represented SR University in All India Inter University Football Tournament, Mangaluru.
- Participated in technical events, coding activities, and student development programs.

Extracurricular Activities

- Participated in sports activities demonstrating teamwork, leadership, and discipline.
- Engaged in coding practice, peer learning sessions, and continuous skill development.
