Education

SR University, Telangana

Bachelor of Technology in Computer Science Engineering, CGPA: 9.44/10

October 2022 – June 2026

SR Junior College, Hanamkonda

Higher Secondary Certificate (MPC), Score: 91.6%

July 2020 – July 2022

Technical Skills

Programming Languages: C, Python, Java

Web Development: HTML, CSS, Django.

Database Management: MYSQL

Tools & Technologies: GitHub, Visual Studio Code, Figma, Git

Professional Experience

Python Developer Intern

Logic While

January 2025 – Present

Remote

- Completed 40+ hours of advanced Python training focusing on algorithms and object-oriented programming
- Engineered 2 internal automation tools increasing code reusability by 25% and reducing development time by 15%
- Participated in code reviews with senior developers, improving code quality standards across 3 projects

Web Developer Intern

National Institute of Technology Warangal

January 2024 – March 2024

Warangal, Telangana

- Architected student management portal serving 500+ users with authentication and grading capabilities
- Enhanced user experience by 40% through responsive design implementation and JavaScript form validation
- Optimized SQL database queries reducing page load time by 35% for student data retrieval operations

Technical Projects

Pet Adoption and Care Portal

Full Stack Web Application — HTML, CSS, JavaScript, MySQL

2024

GitHub

- Architected secure user authentication system
- Accelerated MySQL database performance by 30% through strategic indexing and query optimization
- Delivered full-stack solution with Node.js backend and responsive frontend achieving 95% uptime

Machine Learning Movie Recommendation Engine

Data Science Project — Python, Collaborative Filtering

2024

GitHub

- Achieved 85% prediction accuracy using collaborative filtering algorithms on 10,000+ movie dataset
- Processed user rating data with Python implementing cosine similarity for personalized recommendations
- Reduced recommendation response time by 40% through algorithm optimization and data preprocessing

Achievements & Certifications

Academic Excellence: Top 5% Computer Science Engineering student at SR University (2022-2025)

Microsoft Certified: Azure AI Fundamentals (AI-900) - March 2023

Hackathon Finalist - September 2023

Cisco Networking Academy: Introduction to Cybersecurity Certificate - August 2024

NPTEL Database Management Systems Course - Elite

Leadership Impact: Successfully mentored 15+ junior students achieving 90% completion rate in Python bootcamp
